Eligibility	Coverage for dependents include unmarried children under the age of 19. Full-time students who are enrolled at an Accredited School, are covered until the day in which he or she turns 23 years of age.	
Pre-Existing Conditions	A pre-existing condition is a medical condition diagnosed or treated in the six months prior to the effective date of coverage. This applies to groups of two to five eligible employees and to late enrollees in groups of six or more (those not enrolling within 30 days of being eligible). Prior coverage may be credited toward satisfying the pre-existing condition limitation if that coverage did not lapse more than 90 days prior to the effective date.	
Prior Authorization	Some services/procedures require prior authorization. For a complete list, contact our customer service number at 1-800-355-BLUE (2583) or refer to www.HorizonBlue.com .	

You can save money when you choose to receive care from providers that participate in the Horizon BCBSNJ networks. When you use participating hospitals or other medical facilities or doctors, you generally only pay your copayment and any applicable in-network coinsurance or deductible. If you have services performed at an out-of-network facility or by an out-of-network provider, your out of network benefits will apply. This means that you will be responsible for amounts exceeding Horizon BCBSNJ's allowable reimbursement for that particular service and this may result in significant out-of-pocket costs. You will be responsible to pay for this amount directly to the non-participating hospital, ambulatory surgery center or provider. By using our Horizon-BCBSNJ network providers, you keep your health care costs down.

This summary highlights the major features of your health benefit program. It is not a contract and some limitations and exclusions may apply. Payment of benefits is subject solely to the terms of the contract. Please refer to your benefit booklet for more information.

Additional Information:

1. We will continue to renew coverage at the option of the plan sponsor except for the following reasons:
 - Nonpayment of premiums, fraud, violation of contribution or participation rules, withdrawal of this plan from the marketplace, or the lack of any enrollee who lives or works in the service area.
2. We require the employer to contribute a minimum of 10 percent to the cost of the group health benefits plan.
3. We require 75 percent of your eligible employees (those working 25 hours or more) to participate in a group plan you offer. Those covered by a spouse's group plan will count toward the 75 percent. All affiliated, subsidiary, commonly owned companies count as one company.
