This applies to groups of two to five eligible employees and to late enrollees in groups of six or more (those not enrolling within 30 days of being eligible). Prior coverage may be credited toward satisfying the pre-existing condition limitation if that coverage did not lapse more than 90 days prior to the effective date.

You can save money when you choose to receive care from health care professionals that participate in the Horizon BCBSNJ networks. When you use participating hospitals or other medical facilities or physicians, you generally only pay your copayment and any applicable in-network coinsurance or deductible. If you have services performed at an out-of-network facility or by an out-of-network provider, your out-of-network benefits will apply. This means that you will be responsible for amounts exceeding Horizon BCBSNJ's allowable reimbursement for that particular service and this may result in significant out-of-pocket costs. You will be responsible to pay this amount directly to the nonparticipating hospital, ambulatory surgery center or provider. By using our Horizon BCBSNJ network health care professionals, you keep your health care costs down.

This summary highlights the major features of your health benefit program. It is not a contract and some limitations and exclusions may apply.

Payment of benefits is subject solely to the terms of the contract. Please refer to your benefit booklet for more information.

Additional Information:

- We require 75 percent of your eligible employees (those working 25 hours or more) to participate in a group plan you offer. Those covered by a spouse's group plan will count toward the 75 percent. All affiliated, subsidiary, commonly-owned companies count as one company.
